VILLAGE**

## **Respite Care: A Day Off - A Day Out**

Are you a caregiver? We know that the daily routine of preparing meals, dressing, washing and all that goes with providing in-home care can cause stress and anxiety. The responsibility of caring for your loved one can sometimes be overwhelming. Add the pressure of a job, caring for children and a lack of free time, and some days it can all seem too much.

Rock Island Village can help.

We provide Respite Care on a daily or extended basis. Our trained staff will care for your loved one just as you would, with compassion and responsibility. Rock Island Village is a vibrant, safe and cheerful environment designed to meet the needs of seniors, including those with Dementia or Alzheimer's. Your loved one will experience all of our community's events, activities and

celebrations, along with meals and medical supervision.

Our daily rates are very affordable, and our nurturing programs are perfect for your loved one and for your peace of mind. Residential and Memory Care placement available now.

Contact us, or come and take a look at the beautiful, new Rock Island Village in Historic Eldon.

## **Enjoying Life at Rock Island Village**

Pat Singleton is enjoying life at Rock Island Village. Pat joined the RIV community this fall and quickly made new friends and found lots of fun things to do. She also found a level of care that has made her new home a wonderful safe haven. Pat came to RIV after a fall sent her to the hospital and raised concerns for daughter Michelle Opie about mom going home alone. "We toured Rock Island Village and found it to be such a pleasant, bright, clean place that I felt mom would be comfortable here," Michelle said. "And that certainly is the case." Michelle has been impressed with the professional and caring staff at RIV. "They are just so patient and helpful. The whole staff treats mom and her visitors so well and have such a caring approach,"

Michelle said. "Mom talks about how great the meals are and how there is always something to do. Most importantly, I know my mom is safe and cared for." "We are really happy with how this worked out and would really recommend Rock Island Village to our friends and anyone who is looking for a quality senior community," Michelle said.

## **Around the World and now Home at RIV**

The residents at Rock Island Village enjoy an active lifestyle that reflects the busy lives they have enjoyed.

Amanda grew up in Germany in troubled times.

When she was 12, she stood by her father as he surrendered their hometown of Behlingen to the American Army.

## Living Large at Rock Island Village!

Rock Island Village is uniquely designed to create a vibrant, active living environment for seniors in Central Missouri.

A licensed Assisted Living and Memory Care Community, RIV is not a place to go – it is a place to come home to.

Our central atrium compliments the high ceilings, super-wide hallways and a feeling of fresh air and light throughout RIV. There are four apartment floor plans to choose from.

Residents enjoy activities that range from games to parties, movie nights, the weekly Wine and Cheese Evening and outings around the area. The RIV Bus makes it possible for residents to enjoy independent trips around Historic Eldon, adding to the quality of our lifestyle community.

Rock Island is a community in every sense of the word. There is a gym with activity instruction of every level. The Beauty Shop is a favorite weekly stop for many residents and the specially trained kitchen staff turns meals into dining adventures.

RIV offers Respite Care to give seniors being cared for at home a day out and caregivers a day off. A day, a weekend or an extended stay can hugely improve the quality of life for caregivers and the cared for.

Qualified, caring professionals staff Rock Island Village Memory Care. Private apartments create a

safe, secure, home-like environment for those with memory challenges. Each Memory Care resident enjoys an individualized care plan to make sure they are living life to its fullest.
